Curriculum Newsletter for Summer Term 2

Year 6

Welcome back to the final term of this academic year!

What a whirlwind year it's been! I'm really going to miss our Year 6's and all of their individual personalities. You should all be proud of the wonderful children that you've raised, and I hope that you can attend all of the wonderful celebrations that we've got planned for them.

Your children worked incredibly hard throughout the year, demonstrating remarkable dedication and effort in their preparation for the SATs, which some found stressful, but with encouragement did their very best. We are all so proud of them.

With rehearsals taking place for most of this term, there are some subjects that we will continue to complete.

Mathematics	We will be regularly completing Arithmetic Dojo to keep their arithmetic in tip-top condition ready for their transition to Secondary, and they will be budgeting for their festival party!
Reading	The children will continue to read their Accelerated Reader books and complete their AR quizzes.
History	Crime and Punishment. Children will be looking at how laws have changed over specific periods of time.
PE	The children have a weekly PE session with a sports coach, who will be teaching them the skills of athletics in preparation for Sports Day. Also, some children will be going swimming on Wednesdays to try and achieve their 25m badge.
PSHE	This term will be focusing on transition activities in preparation for their new journey to Secondary school.
